

NASCOM

DEC.
2006

Egyptian Co. for Supplies & Contracting

Highlights

NASCOM was established in Egypt since 1996 to provide Egypt, Middle East, African Countries high quality standards project execution to meet its customer's requirement.

NASCOM has awarded ISO certificate 9001-2000 in scope of fabrication of steel structure and piping works.

NASCOM working in the field of the steel structure building and contracting is committed to comply with national and international relevant product requirement.

NASCOM has a professional technical office with competent engineers to work according to the international standards.

NASCOM has all the required capabilities, the experienced, qualified and trained crews to erect steel structures and equipment and to execute the electromechanical installation of large projects maintaining an accurate construction planning, a strong site organization, top safety system, QA/QC, utilizing modern machineries and tools and the best labor facilities.

NASCOM has a wide experience in Oil/Gas field, power station, petrochemical industries & other works where high technology is required.

NASCOM aims to execute the works with high qualification and guaranteed services to obtain its Clients satisfaction.

Your confidence is our motive to success

Eng. Nasif Wagdy

Chairman

Main Activities

- Fabrication & erection of piping
- Underground excavation pipe laying & back filling
- Fabrication & installation of storage tanks
- Fabrication & installation of pressure vessels
- Fabrication & erection of HVAC works
- Installation of fire fighting system
- Steel structure works
- Sandblasting & painting works
- Thermal insulation & cladding works
- Electrical & instruments works
- Pre-Commissioning, Commissioning and Tests
- Supply of material, safety tools & equipment
- Heavy equipment rental
- Manpower supply in all fields

Abu Rawash Workshop

Main Achievements

El Kureimat 2 X 600 MW Thermal Power Station

Client: ABB SAE sadelmi (italy)

Owner: EEA Egyptian Electricity Authority - (Egypt)

- Manpower supply for Critical Piping, Thermal Cycle & Water Treatment of 2 units & Pre-commission activities
- Construction assistance

El Kureimat - Egypt (1996 - 1997)

El Kureimat 2 X 600 MW Power Plant - Lot B

Client: NCM Nuova Cimmentubi S.P.A - (Italy)

Owner: EEA Egyptian Electricity Authority - (Egypt)

- Manpower supply for piping and steel structure construction and erection of 2 Boilers
- Construction assistance

El Kureimat - Egypt (1996 - 1997)

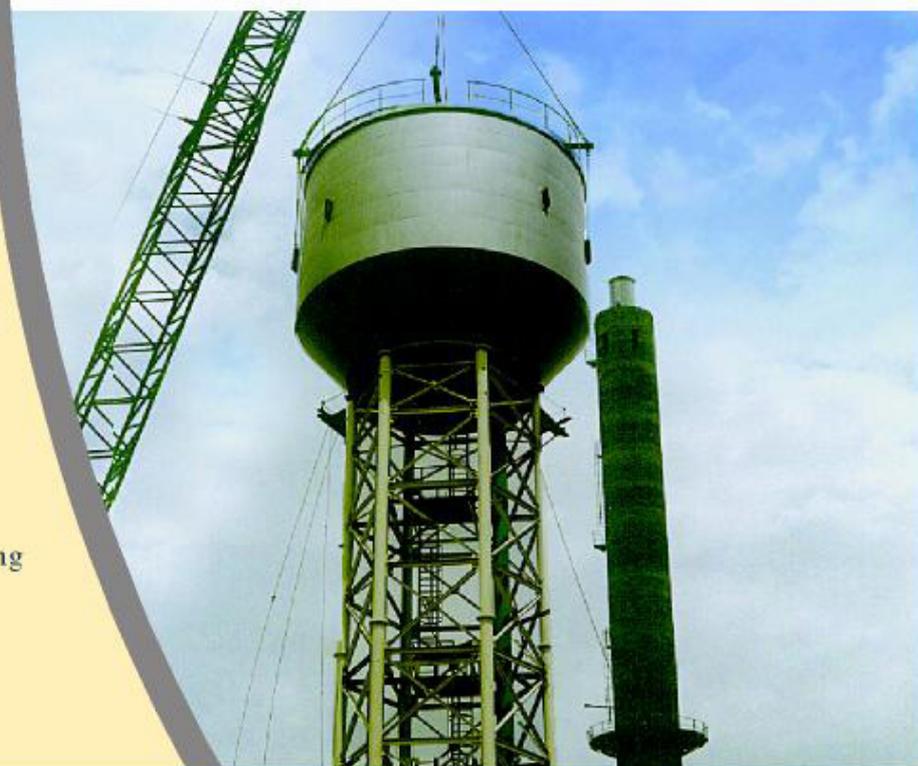

Float Glass Plant

Client: INGLEN (Italy)

Owner: EGC Egyptian Glass Company - (Egypt)

- Pre-fabrication and installation of all the pipes
- Pre-fabrication and installation of steel pipe support for all piping
- Pre-fabrication and installation of the insulation and cladding of the heavy fuel oil piping
- Installation of utility piping of the glass melting furnace
- Installation of the equipment
- Supply and execution of the pipe painting
- Material supply

10Th of Ramadan City - Egypt (1997-1998)

Al - Ezz Steel Factory

Client: Al - EZZ (Egypt)

Furnace & melt shop maintenance works

El Sadat City- Egypt (1999 - 2000)

SIDPEC Ethylene Project

Client: TCM Techint Cimimontubi S.P.A - (Italy)

Owner: SIDPEC Sidi Krir Petrochemicals Company - (Egypt)

Main contractor: TEC Toyo Engineering Corporation - (Japan)

Supply of various trades of Manpower and construction equipment for completion of mechanical erection works

ElAmeriya - Alexandria - Egypt (2000)

Maximization of Gas Oil Production Project

Client: TCM Techint Cimimontubi S.P.A (Italy)

Owner: AMOC Alexandria Mineral Oils Company - (Egypt)

Main contractor: T.R Tecnicas Reunidas - (Spain)

Pipe Supports - Supply, Fabrication, Sandblasting and Painting works

ElMax - Alexandria - Egypt (2000 - 2001)

Sidi Krir 2X320 MW Power Plant Mechanical Package

Client: TCM Techint cimimontubi S.P.A - (Italy)

Owner: EEA Egyptian Electricity Authority - (Egypt)

Supply of various trades of Manpower and construction equipment for completion of mechanical erection works

Sidi Krir - Alexandria - Egypt (2000)

Solvent Recovery Plant (Rotopack Egypt Factory)

Client: PIANIMPIANTI S.P.A. (Italy)
Owner: ROTOPACK (Egypt)

- Completion of Piping erection works
- Fabrication & installation of stainless steel Tanks
- Thermal insulation & cladding works

10Th of Ramadan City - Egypt (2001)

Dairy Plant Project

Client: IGI International Co. for agro-industrial projects - (Egypt)

- Fabrication & installation underground stainless steel piping
- Fabrication, installation & painting aboveground piping
- Fabrication & installation stainless steel platforms
- Supply, installation & painting pipe racks
- Equipment rental
- Material supply
- Manpower supply

ElNoubaria - Egypt (2000-2002)

Dairy Plant Project

Client: GEA (Ireland)
Owner: IGI International Co. for agro industrial projects - (Egypt)

Installation of heavy equipment

ElNoubaria - Egypt (2001-2002)

Dairy Plant Project

Client: TECHNE S.P.A. (Italy)
Owner: IGI International Co. for agro industrial projects - (Egypt)

Installation, positioning & adjustment of Blowmoulding machines

ElNoubaria - Egypt (2001-2002)

Extension of CMI factory

Client: CMI Chemical & mineral international - (Egypt)

- Supply, fabrication and installation of stainless steel tanks & piping
- Supply, fabrication, installation and painting of steel structure for platforms

Cairo Alexandria Road Km 28 - Egypt (2003)

Trust For Chemical Industries Factory

Client: TRUST Group (Egypt)

- Fabrication, installation & hydrotesting of carbon steel, stainless steel, fiber glass , UPVC piping
- Fabrication & installation of pipes supports, pipes rack, platforms & ladders
- Fabrication & erection of pass bar for electrical units
- Installation of equipment
- Equipment rental
- Material supply

Port Said - Egypt (2003-2004)

SEGAS Damietta LNG Project - Mechanical Train, Egypt

Client: DODSAL PTE LTD (India)
Owner: SEGAS

- Construction assistance
- Manpower supply

New Damietta - Egypt (2003-2005)

NC41 Mellitah Gas Project

Client: BENTINI Costruzioni S.P.A. & MEDITERRANEA PROGETTI (Italy)
 Owner: ENI Gas B.V (Italy)

- Blasting, priming, painting and insulation works
- Prefabrication and erection of steel structure
- Manpower supply

Libya (2004-2006)

Mellitah Gas Compression Station MGCS-NC41

Client: BONATTI S.P.A. (Italy)
 Owner: ENI Gas B.V (Italy)

- Electromechanical construction assistance
- Electrical and instrumentation works
- Supervision
- Manpower supply

Libya (2004-2006)

Cairo North II CCPP 750 MW Power Plant CTG Package

Client: TCM Techint Cimimontubi S.P.A - (Italy)
 Owner: CEPC Cairo Electricity Production Company - (Egypt)

- Supply of tools for erection of piping & pipe supports
- Manpower supply

Cairo North- Egypt (2005)

Dandy Mega Mall - Hyper Market Fit-out Maf Carrefour

Client: SIEMENS LTD. (Italy)

Fabrication, erection and hydrotest for piping works
 (Chillers room - Chillers water pipes - Distribution
 - Cooling water towers)

Cairo Alexandria Road - Egypt (2005)

Sharm El - Sheikh International Congress Center

Client: DSD Ferrometalco - (Egypt)

Fabrication of 400 Ton of steel structure

Sharm El - Sheikh - Egypt (2005)

Torrevoldaliga Nord 3X660 MW Power Plant

Client: DSD Ferrometalco - (Egypt)

Owner: ANSALDO (Italy)

Fabrication of 2500 Ton of steel structure for two Boilers unit

Italy (2005)

Gantry GSI - Heidelberg

Client: DSD Ferrometalco - (Egypt)

Owner: MAN TECHNOLOGY (Germany)

Pre-Fabrication, fabrication, welding and assembly of Main Lattice (152 Ton)

Germany (2005-2006)

Miracle Perfumes Handling

Client: PROCTER & GAMBLE (Egypt)

- Supply, fabrication & installation of stainless steel piping & valves 316L
- Supply, fabrication & installation of stainless steel tanks
- Installation of pumps
- Supply & installation electric devices & power network

6Th of October - Egypt (2006)
